

Mushahid Raza

CUSTOM CLEARANCE SPECIALIST

Profile

Dynamic Supervisor with over 5 years of experience in logistics and sales, specializing in custom clearance operations. Recognized for enhancing operational efficiency and driving team performance, I have a proven track record in overseeing daily logistics operations and ensuring compliance with industry standards. My expertise includes training and mentoring team members, analyzing performance metrics, and implementing safety protocols. I am proficient in Microsoft Office applications and have hands-on experience with custom clearance processes at Dubai Customs. Committed to fostering a collaborative work environment, I excel in customer engagement and relationship building, consistently striving for excellence in achieving organizational objectives.
